

GETTING THERE:

From Hwy. 512, take the exit for the Puyallup Fair. After exiting – turn south on Meridian (away from the fairgrounds), proceed to the stoplight at 15th Ave. SE and turn left; go through the round- about. At the stop sign turn right. Our building is located on the left-hand side.

Wig Fitting Service

Let our trained staff help you find the perfect style...

Please schedule your private wig-fitting consultation by calling Tamara at the Cancer Resource Center.

253.697.4899

Wig consultations are available by appointment only from 9am-3pm Monday-Thursday and 9am-1pm Friday.

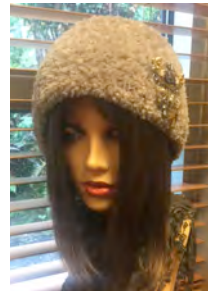

We offer an extensive array of high-quality synthetic wigs that are designed to look and feel like human hair, while providing low-maintenance care.

You will receive a private consultation in our spa-like wig suite that includes one free wig with custom color matching, wig liner, and education on proper wig-fitting techniques, styling tips, and care.

Try on as many styles as you wish and then select your perfect wig, which you can bring home the same day. No prescription is necessary.

Complimentary wig trim and alteration services are also available.

Additionally, we provide complimentary handmade hats and scarves for your accessory needs.

These services are provided to any cancer patient in the community that is about to undergo treatment, currently in treatment, or has just completed treatment.

This program is made possible from proceeds raised through community fundraisers, including the annual "Come Walk With Me" event which is held on the first Saturday of October and through private donations.
