

Complimentary Virtual Wig Program

MultiCare's Good Samaritan Cancer Resource Center is pleased to offer a complimentary virtual wig program during the COVID-19 pandemic. This service is available to any woman in the community undergoing medical treatment for a cancer diagnosis. No prescription is necessary.

Our wig program provides one new high-quality wig, which includes custom color matching, wig liner, and stylish head covering accessories.

To schedule your virtual visit, please call 253.697.4899 or email: milleta@multicare.org.
