Tackling Breast Cancer Disparities

Saturday, October 16th
10:00 - 11:00 a.m.
Virtual Event: Click [here](#)

This event is free for everyone!

Breast cancer awareness event presented by Virginia Mason Franciscan Health in partnership with the Seattle Seahawks, Washington State Radiological Society and Cierra Sisters.

Black women get more aggressive breast cancer at a younger age and die from it more often than White women. Screening and early detection are so important. Join us for an expert panel discussion to raise awareness and answer your questions.

Welcome message by Karen Wilkins-Mickey, Seahawks Vice President of Diversity, Equity and Inclusion

Seahawks raffle prizes given out by mascot Blitz!!!!
